You chattering-on, prideless bastard.

How long do you plan on clinging onto Alice like that? Grow up already
Just because it started with Alice, doesn't mean it has to end with her

Easily-quitting, useless chess piece.

Alice abandoned this world.

I won't ever give up!!

The most perfect Alice!!!

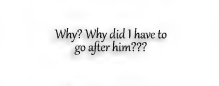
CHAPTER 3 — MY NAME IS

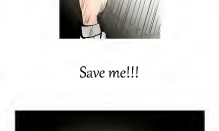
MISTY ROAD

Hu-..?
Huh..?
Am I falling right now??

What about the White Rabbit?
I was chasing him...



Why? Why did I have to go after him???



Save me!!!

Thud

Aww...
It hurts...
Am I done falling?

Then, where am I?

Who...
am I...?

Who is it?
Someone fell from above!
Somewhat amazing...

Who...
Who am I?
Even I don't know.

Alice.....

Alice?
Is your name Alice?
Weird name.
Who are you?
I am I...
Alice?

Yeah, my name must be Alice.
But, where are you guys?
Above!
Up here!

Above?
Ah

MISTY RAIN

So you were all above.

Her?
Why are you here?

Alice! I fell because you hit me while falling!!

Oh my! Really! What do I do?
I'm so sorry!
I'll pat you
Up

X cm
Oh my

It won't be too bad living on ground.
Yah
Don't try to escape reality you, stupid!

Alice, you're so nice!
But, it's not your fault.
The story is also guilty for not being able to endure.

Is that so? Then let's call it even by me making a wish.
HEY!!
Why is an assailant getting the benefit?!!

Wish? Do you have something you wish for?
Wish...
I think there was one, but
I forgot.. I can't remember anything

I remember one!!
A white rabbit!
I was running after a white rabbit!!
Have you seen a white rabbit?

We haven't seen a white rabbit, but

There's only one door in the entire, big, depressing room. And it's locked.

Then, Shooting Star, I'll cheer on your new start!
Hey! How dare you runaway?!

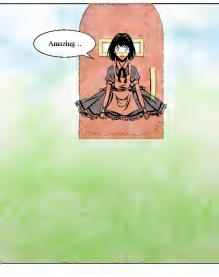
So I just have to exit through this door...

It's very small.
Mmhm. Not symmetrical.

Would it be better if I crawled?

???

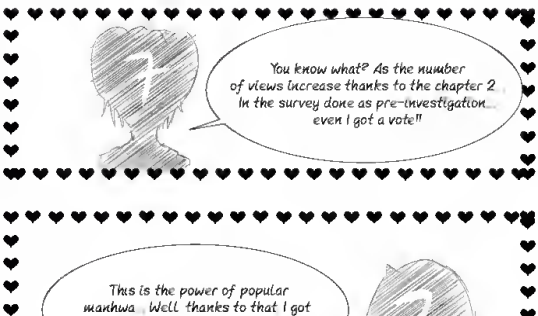
Whoa...



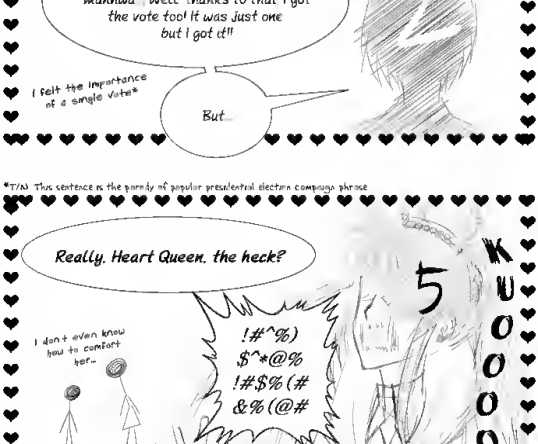
Amazing...

Cf.

In [Alice in Wonderland], Alice sees a beautiful garden through the door smaller than her head. Afterward, she doesn't try to chase the White Rabbit, but try to get back to the garden



You know what? As the number of views increase thanks to the chapter 2 in the survey done as pre-investigation... even I got a vote!!



This is the power of popular manhwa... Well thanks to that I got the vote too! It was just one but I got it!!
I felt the importance of a single vote*
But...

I did draw his face, but because it destroys his character, so I deleted his expression.

Never Knew Heart Queen Will be This Unpopular.jpg

Thank you for always writing comments.
I'm always reading each and every one of them. Hehe.

By the way, I forgot to answer this from Chapter 2.

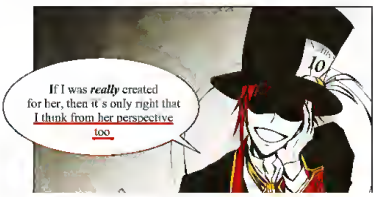
Erm... a sudden O
When the Hatter talked about becoming independent, he was smiling and saying that it's for Alice...
Does he want independence? He says it's for Alice, but it doesn't look like that...

It's late, but I'll answer now. ^^

When the Hatter talked about becoming independent, he was smiling and saying that it's for Alice...
Does he want independence?

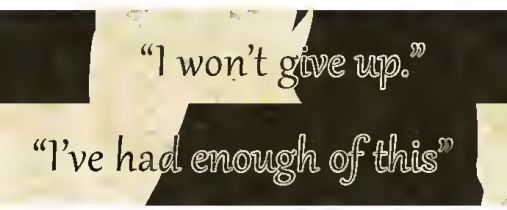
Hatter was born for Alice, but wishes to become independent.

He says it's for Alice, but it doesn't look like that



They're born for Alice, but...
Alice abandoned them, saying she doesn't need them.
So, if it's really for Alice,
We too should stop whining and chase after her,
and forget about Alice!
is what he's saying.

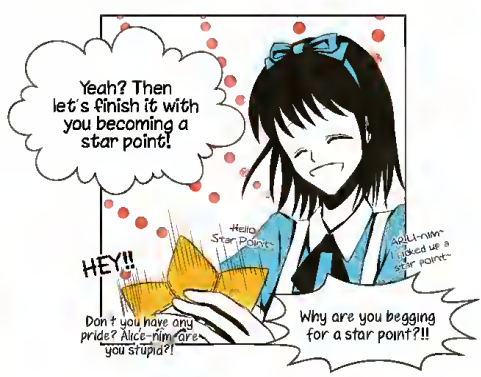
Honestly, the toys we used to play with...
we grew and lost interest in them...
and into trash cans they go. *tremble*
Now that we have Smart phones, toys aren't that interesting anymore.
So, the Hatter is saying that even if they find Alice again
and greet the new Alice,
Alice will only be annoyed by us, who have been abandoned already.
He means to say, think about what Alice would think.
On the other hand, Heart Queen is trying to keep/find Alice,
so she goes against the Hatter a lot.
So, Hatter thinks that Heart Queen is pathetic.
In the end, in chapter 1, he smiled?? snickered?? At her a lot. Keke.



Anyway, wow the Hatter is good looking. //

☞ Hatter likes this comment ♥

Lastly, some fun. Keke.



Yeah? Then let's finish it with you becoming a star point!
HEY!!
Hello Star Points
Aoi-nim liked us a star point~
Don't you have any pride? Alice-nim are you stupid?!
Why are you begging for a star point?!!
